Morrisons Bag Pack –A Huge Success!

We teamed up with Morrisons Supermarket in Guiseley to raise some vital funds for Guiseley Juniors .

The Juniors were bag packing between 8am and 6pm on Saturday 11th June, and we raised over £2400 pounds.

This was a fantastic effort, and thanks to all the

players, coaches and parents who took part.

This type of funding helps the club keep football

affordable for our local community.

Thank you to Morrisons Guiseley and the manager Mick Barstow for supporting us.

Passing gossip

Pictures from St Mary's pitch launch are on the website, and most of our teams will be using this facility from September.

Under 7's teams will be playing 5 a side games in the league this season!

Player registration and cheques for season 2011/12 for returning players to be in by 30th September 2011.

Despite rising costs across the board Guiseley Juniors are delighted to announce there will be no increase in fees for the coming season!

David Way hosted the first coaching masterclass attended by 14 Guiseley Juniors Coaches. This was a great success and watch

out on the websites for the next session.

There is a lot of debate about the future of junior football at the FA. The possibility of 9 a side matches for those up to the age of 13 is a new concept that is gaining support, but our Under 11 teams are sticking with 11 a side for the new season.

Awards Night Report

Yeadon Town Hall was the venue for our annual awards night, and what a packed evening it was.

Split into 2 sessions, first up were the boys teams under 6's through to boys Under 9's and The Girls Teams. With our Host Mark Folan and special guests Adian White from Leeds United and Grade 1 referee Martin Atkinson, the presentations were slick and well received.

The second session with Boys under 10's through to Boys Under 18's was also well attended and as we got to the older teams where boys are leaving to work or study elsewhere and teams are coming to their natural end it is difficult to hold the emotions back after years of hard work and success. Special mention to Nigel Baxter and his team and to Andy O'Neil and his Under 16's.

With over 800 people attending over 2 sessions, the awards night shows just how big a part of the local community Guiseley Juniors are.

Donna Stringer Club Special Award

The Clubs special award went to Donna Stringer at our recent awards ceremony. It was a really tough choice this year, with so much given to the club by individuals over the year, but Donna's efforts in building the Girls Teams in the last few years fully deserved this special recognition—well done Donna!
