

Information to assist Managers in completing their own team's FA emergency medical action plan

Managers / Coaches are advised to complete the FA emergency medical action plan form as contained in the FA emergency aid course workbook. GJFC now has a blank A4 version of this form available to download / print off for this purpose, so you can complete it specifically for your own team. Please then keep your completed own team's FA emergency medical action plan in your First Aid Kit / managers bag so that it is there ready should you ever need it.

Club Name: - Guiseley Juniors Football Club / Guiseley Girls Junior Football Club

Club Address: - CO Club Secretary, Mrs Nicky Clarke, 2 Dales Drive, Guiseley LEEDS, LS20 8HR.

First- Aider Information: - please enter details for Manager, Coach, and any qualified assistants but please note anyone here needs to be 'in date' for the FA Emergency Aid Course. You should not include anyone here who has non FA First Aid qualifications only.

First Aid Equipment and Facilities

AED / Defibrillator: - Please ensure you check and know well the nearest defibrillator locations to your training and pitch locations.

From Yorkshire Ambulance Service / Local Council advice these are the current location of defibrillators in our area though please check your nearest locations yourselves so you are completely familiar with them.

Should you play your 'home matches' at a pitch not in these areas please use the following link to locate your nearest AED / Defibrillator- Yorkshire Ambulance Service (YAS) link <https://tinyurl.com/yascpadmap>

Stretcher: - the only location currently possible for one is at Shaw Lane (St Mary's school advise do not have one in their first aid room – on right)

First Aid Room:- Shaw Lane is the only Facility possible , during our hours of operation we do not have access to those in Schools etc. (though for some teams training at St Mary's in the evenings access via the school , the same being the case for use of other school Sports Halls or 5's Soccer in Yeadon)

Access Routes :- This is something to consider for both training and match locations the following information is likely to be helpful stating with Postcode to assist the Ambulance and determine where someone will meet an Ambulance to escort Paramedics etc direct to a casualty. Should yours not be here please find it and ensure clear on your FA emergency medical action plan.
